## VOLUNTARY ANNOUNCEMENT SALES CONTRACT IN RELATION TO AI SERVERS

This announcement is made by China Qidian Guofeng Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to inform the shareholders and potential investors of the Company of the latest business development of the Group.

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that Beijing Qidian Guofeng Zhishuan Technology Co., Ltd.\* (北京奇點國峰智算科技有限公司) (“**Beijing Qidian Guofeng**”), a subsidiary of the Company, has entered into a sales contract (the “**Sales Contract**”) with an independent third party (the “**Purchaser**”) in relation to the sale of AI servers.

### Principal Terms of the Sales Contract

The principal terms of the Sales Contract are summarised as follows:

<b>Product:</b>	200 units of AI servers
<b>Consideration:</b>	The total consideration under the Sales Contract is RMB278,300,000 (inclusive of 13% value-added tax). The unit price is RMB1,391,500 per server.
<b>Payment Terms:</b>	The Purchaser shall pay 30% of each batch as a prepayment upon inspection of goods, and the remaining 70% shall be paid on the same day upon successful completion of stress testing.

**Delivery:** The Purchaser shall collect the products at the location designated by Beijing Qidian Guofeng after payment of the corresponding batch amount. The title to the goods shall be transferred to the Purchaser upon delivery.

**Inspection and Acceptance:** The Purchaser shall inspect the packaging, quantity and model of the products upon delivery. Stress testing services will be provided by Beijing Qidian Guofeng, and the products shall be deemed accepted upon passing the stress testing.

**After-Sales Services:** Beijing Qidian Guofeng shall provide 12 months of third-party (non-original manufacturer) after-sales services from the date of delivery.

### **Reasons for and Benefits of the Sales Contract**

Provision of AI-related services is one of the Group's principal business. The Board believes that the Sales Contract represents a valuable opportunity for the Group to generate revenue from its AI server business segment and to strengthen its market position in the intelligent computing industry.
