The Board announces that on 29 April 2026, the Company granted 11,396,475 Award Shares, representing approximately 0.59% of the total issued Shares as at the Grant Date, to the Grantees under the Share Award Scheme. If any grant of the Award Shares as detailed below has not been accepted by any particular Grantee or is not otherwise in compliance with any applicable laws and regulations, such grant in respect of the particular Grantee would not proceed or be effective for legal and regulatory purposes.

The Award Shares shall be 11,396,475 shares in total, which shall be granted to in aggregate 532 service providers of the Company. Details of the Grants are as follows:

Grant Date:	29 April 2026
Grantees:	Service providers of the Group
Consideration for the Award Shares:	Nil
Number of Award Shares:	11,396,475 shares
Closing price of the Shares on the Grant Date:	HK\$1.800 per Share

Vesting period: After twelve (12) months from the Grant Date, subject to the acceptance by the Grantees.

Lock-up period: All Award Shares are subject to a 12-month lock-up period upon vesting.

Performance targets: There is no performance target for the Grantees.

In considering the Grants made to the Grantees, the Remuneration Committee has taken into account the following factors: (i) the expected value of the Award Shares subject to the future market price of the Shares, which in turn depends on the business performance of the Group; and (ii) the sales performance and contributions made by the Grantees during the year 2025.

Clawback mechanism: Unless determined otherwise by the Board, the Award Shares, granted but not yet vested, will be automatically and immediately cancelled when the Grantee ceases to be an eligible participant as defined in the Share Award Scheme in the following circumstances:

- (i) where such person has committed any act of fraud or dishonesty or serious misconduct, whether or not in connection with his employment or engagement or service to any member of the Group and whether or not it has resulted in his employment or engagement or service being terminated by the relevant member of the Group or his provision of services to the relevant member of the Group being terminated;
- (ii) where such person has been declared or adjudged to be bankrupt by a competent court or governmental body or has failed to pay his debts as they fall due (after the expiry of any applicable grace period) or has entered into any arrangement or composition with his creditors generally or an administrator has taken possession of any of his assets;

- (iii) where such person has been convicted of any criminal offence;
- (iv) where such person has been convicted of or is being held liable for any offence under or any breach of the SFO or other securities laws or regulations in Hong Kong or any other applicable laws or regulations in force from time to time; or
- (v) where such person commits a material breach of contract(s) between any member of the Group and the eligible participant(s).

Reasons for and Benefits of the Grants

The reason for the grant of Award Shares is to provide incentives and rewards to Grantees for their contributions to and continuing efforts to promote the interests of the Company. The Grants align the interests of such Grantees with those of the Group through ownership of Shares, dividends and other distributions paid on Shares and/or the increase in value of the Shares, and to encourage and retain such Grantees to make contributions to the long-term growth and profits of the Group.

To the best knowledge of the Directors, as at the date of this announcement, (i) none of the Grantees is a Director, chief executive or substantial shareholder of the Company or an associate (as defined under the Listing Rules) of any of them; (ii) none of the Grantees is a participant with the Award Shares granted and to be granted exceeding the 1% individual limit under the Listing Rules; (iii) none of the Grantees is a service provider with the Award Shares granted and to be granted exceeding 0.1% limit in any 12-month period; and (iv) no financial assistance has been provided by the Group to the Grantees for the purchase of Shares under the Share Award Scheme.

Number of Shares Available for Future Grant

The Grants of Award Shares shall be satisfied by the issue of new Shares or purchase of existing Shares within the mandate limit under the Share Award Scheme. The remaining number of Shares available for further grant under the Share Award Scheme upon the Grant of Awards shall be 46,071,510 shares.

As of the date of this announcement, the number of Shares for future grant to service providers under the Share Award Scheme shall be 26,271,303 shares.

The trustee shall hold 11,396,475 Award Shares on trust for the Grantees. Such Shares will then be transferred to the Grantees at no cost upon satisfaction of the above-mentioned vesting condition. Accordingly, no funds will be raised from any possible issue of new Shares under the Share Award Scheme.
